**Volume 14 - Issue 3**

**September 2014**

## **Hello everyone!**

It's hard to believe the hot days of summer are finally coming to an end and we're heading into fall. I am hard at work putting the finishing touches on Dalton Granger and Jules Bradford's novel, *A Lover's Vow* - Granger Book 3. Yes, you will finally find out who killed Sylvia Granger. I've loved the time I spent writing about the Granger family. *A Lover's Vow* is scheduled to come out in May 2014.

We have some wonderful events planned for the rest of the year, including the kick off of my Fall Book Sale to benefit my foundation - the Josiephine Streater Threatt Foundation, as well as November being proclaimed Westmoreland month. We have a lot of gifts to give away for this event. And then in December, get ready for the release of a new Westmoreland novel, *The Secret Affair*, Aidan Westmoreland's story.

And no, it's not too late to sign up for my readers cruise to Bermuda in May 2015. More information in this newsletter.

October is "introduce a reader to a Brenda Jackson book" month where you can get a gift for introducing a reader to one of my books. More details are coming.

Thanks for all that you do and I appreciate all of you.

**Question From Readers**

**Q: I notice a lot of your books are being reissued in singles, 2-in-1s, box sets etc. Why? I have all your books and seeing them reproduce is confusing. I find myself buying books I already have.**

A: Thanks for your question. The reissued/reprinted books are for those readers who are discovering my work for the first time and want to collect them to read in order. When you have over 100 books that's a tall order and I appreciate my publishers for keeping them available for my readers. Nothing is more frustrating than starting a series to find you don't have all the books connected to that series. Without the reissue/reprints,, the books will go out of print and become unavailable. When we alert readers books are coming out, we try to make them aware whether or not it's a new book or a reissue. This information can also be found on the information page of a book that lists its first print date. If you notice a date that's in the past, chances are the book is a reprint. I don't make any changes or additions to reprints so if you already have the book, there's no need for you to get it again, unless you want to. One of my favorite books by Nora Roberts is Montana Sky, and I find myself buying that book whenever its reissued with a different cover because I love that story. LOL. I only have 3 new books out this year - The Real Thing, A Man's Promise and The Secret Affair. Everything else are reprints/reissues.
