It is hard to believe the days of fall have arrived. I hope everyone who was in the path of Hurricane Matthew made it through okay. I had a tree to fall down in my back yard and shingles off my roof, but compared to the losses of others, I thank God for his mercy and kindness.

I am thanking all my readers, family and friends who came to my book signings in Jacksonville, Memphis and Baltimore. It was a great turnout and it was so good seeing everyone. It was a wonderful way to kick off the release of my new book - *The Rancher Returns*.

Possessed by Passion featuring Tyson Steele

Burned-by-love architect Hunter McKay came home to Phoenix to open her own firm, not rekindle her fleeting high school romance with playboy Tyson Steele. But when she runs into the sexy surgeon at a nightclub—and he unleashes that legendary Steele charm—Hunter fears she’s headed straight for heartbreak once again.

Tyson hasn’t forgotten the one who got away. A week-long fling should be just enough to get the sultry beauty out of his system for good, even if he has to let Hunter set the ground rules. But the rules are suddenly changing for the no-strings bachelor. Can Tyson convince this sensual woman that he’s the real deal—that they deserve a second chance together?

Passionate payback

They say you can forgive but you can never forget. Virgil Bougard takes that saying to heart. Four years ago Kara Goshay believed a vicious lie about him and ended their relationship. And even after her apology, Virgil is still bitter.

He doesn't intend to make things easy for Kara when his family's firm hires her PR company to revamp his playboy image. But faking a liaison with Kara for the media backfires when the line between fantasy and reality is blurred by strong sexual attraction.

Kara wanted forgiveness. Instead she's deep into a heated affair with the powerful, charismatic man she can't resist. The man who claims he'll never forgive her, especially when a secret enemy puts her professional reputation in jeopardy. Stakes are high—but so is their searing desire, a connection so intense it could possibly tame this elusive unforgiving bachelor at last...

Coming December 2016
Captivated by Love

If you have read the entire 3-book Granger Series, then this announcement will be exciting news for all of you.

Captivated By Love is Sheppard and Carson Granger's story with a little mix of danger, not too much to take away reading about Sheppard and Carson but enough. Of course you will get a chance to visit with those Granger sons and their wives along with Shep's other sons as we better know them as The Protectors. This story, Captivated By Love is the prequel to the first Protector's book, Forged In Desire (February 2017) featuring Striker.

At this time, I don't have information about pre-ordering but this book will be available in both print and E-Book format. Let's make this brand new single title under the Madaris Publishing to hit all those bestsellers list. Stay tuned for updates regarding the pre-ordering process.

Footnote: For those who haven't read the Granger Series, take the time now before December to read this series.

The Protector Series
Forged In Desire

Strong enough to protect her. Bold enough to love her.

When good girl Margo Connelly becomes Lamar "Striker" Jennings's latest assignment, she knows she's in trouble. And not just because he's been hired to protect her from an underworld criminal. The reformed bad boy's appeal is breaching all her defenses, and as the threats against her increase, Margo isn't sure which is more dangerous; the gangster targeting her, or the far too alluring protector tempting her to let loose. Though Striker's now living on the right side of the law, he's convinced his troubled past keeps Margo out of his league. But physical chemistry explodes into full-blown passion when they go on the run together. Surrendering to desire could be a deadly distraction—or finally prove that he's the only man qualified to keep her safe, and win her love.
