**A SPECIAL ADDITIONAL EXCERPT FOR A STEELE FOR CHRISTMAS**

I received emails asking why the scene regarding the confrontation between Eli and Stacey and her ex-fiance Wallace and ex-girlfriend was not included in the book as many of you would have wanted to read it. That scene was omitted due to the word count of the book. However, I will share the unedited scene that was deleted from the manuscript for any of you who have burning desire to know what happened.

Nikki Cartwright can't believe Jonas Steele—the Jonas Steele—has chosen her for a high-profile marketing venture. It could make her career. But when she remembers the kiss they once shared, a kiss so intimate it sent their desire skyrocketing from simmering to blazing, Nikki knows she must guard her heart against the seductive Phoenix playboy as if her life depends on it.

Jonas has no problem making their professional relationship personal. With the beautiful and talented photographer within his reach, he can erase her from his system once and for all. From a whirlwind Las Vegas affair to jet-setting across four continents, this Steele discovers getting Nikki out of his system is easier said than done, and now he wants her to belong to him heart and soul—as the woman of his most passionate fantasies....
