The skills of a surgeon...

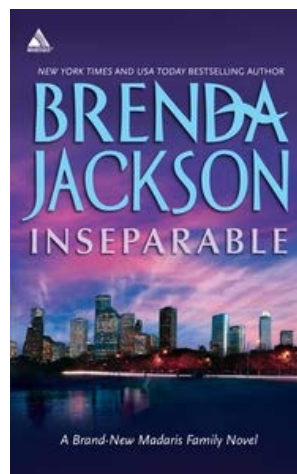

Having a crush on her drop-dead gorgeous boss could get Hopewell General intern Jasmine Campbell fired...especially with the prestigious Virginia hospital reeling from a shocking scandal. But head resident Lucien De Winter is impossible to resist. And he's arousing a healthy dose of desire as the good doctor wages an all-out war to make the sheltered Southern belle his own...

The heart of a lover

Head over heels for Jasmine, Lucien vows to keep their relationship a secret. He knows they're planning a dangerous game, but he can't live without the sensual sister. Even if it means putting his hard-fought career on the line, the seduced surgeon is ready to risk it all. Because Lucien knows that the only thing to cure his acute condition is a lifetime of love...

A BRAND NEW MADARIS NOVEL

Inseparable

From friends...to lovers. Living under Reese Madaris's roof makes LaKenna James the envy of every woman in town.

But Reese's offer of a place to stay is strictly platonic—just until Kenna's new condo is completed. He has no idea that his best friend has had a crush on him since college, and Kenna plans to keep it that way.

Ever since his cousin Blade got married, Reese has become Houston's most eligible bachelor—and a magnet for gold diggers. Reese turns to his temporary roommate for dating advice, and suddenly sees Kenna for the beautiful, voluptuous woman she is. Though Kenna's afraid to give her heart to the man who could so easily break it, Reese embarks on a mission of seduction. But when Kenna's life is in jeopardy, she'll discover just how far a Madaris man will go when love is at stake....
