Q & A with Brenda

Q - Is it true you will be writing for Mira, one of Harlequin's premier lines?

A - Yes, beginning in June 2013, I will be introducing a new family for Mira, the Grangers of Virginia. I am excited to work with the Mira team!

Q - I'm sure you get a lot of questions about Bane Westmoreland. Those of us that keep up with the Westmoreland Series saw his heartbreak in Westmoreland's Way when he had to give Crystal up. You mention Bane now and then in your books and we know he's a Navy Seal. When can we expect Bane and Crystal's story?

A - I get tons of emails from readers anxiously awaiting Bane's story and I'm eager to write it; however, it's important to me that Bane has reached the level of maturity that I (and his family) wants him to be before he tackle going after Crystal. I have the other Westmoreland brothers and cousins' stories to write before Bane's. But it's coming. Starting this year I am doing 3 Westmoreland books a year, so Bane's story will be here before you know it.

Q - Truly Everlasting Movie was wonderful and it

A SPECIAL ADDITIONAL EXCERPT FOR A STEELE FOR CHRISTMAS

I received emails asking why the scene regarding the confrontation between Eli and Stacey and her ex-fiance Wallace and ex-girlfriend was not included in the book as many of you would have wanted to read it. That scene was omitted due to the word count of the book. However, I will share the unedited scene that was deleted from the manuscript for any of you who have burning desire to know what happened.

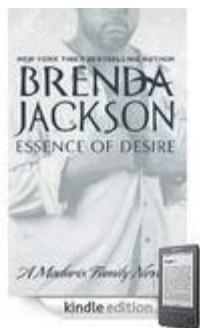

This scene would have started on page 216 and ended with the Epilogue. Click here to read the scene and remember it's unedited.

BJN - Brenda Jackson Network

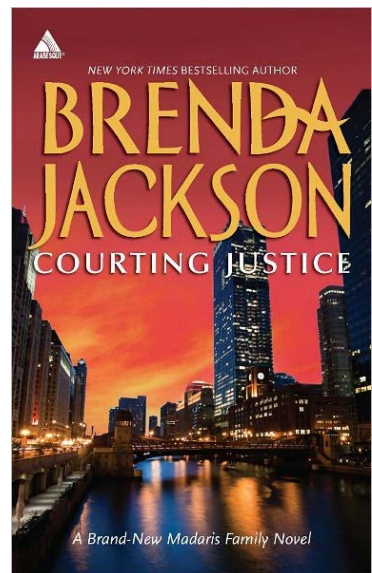

I hope everyone enjoyed the first video newsletter for January. Another one will be sent in June.

What we have in store for BJN -

was so true to the book! What is your overall opinion of your work on this project?
A - I believe that considering the limited funds I had to make the movie, I can't help but pat myself, as well as my film crew on the back. This was an independent film without the backing of Hollywood, so there was no big name actors and actresses. In fact, this was some of my stars first time in front of a camera. This was low budgeted film that I was able to use to help fulfill some people's dream, while giving my readers a taste of a visual of the book. Could I have done some things better? Absolutely! And you grow from your mistakes. Tyler Perry had to start some place and look where he is today! This was my first but it won't be my last. I hope my true Brenda Jackson readers will see this as what it was - a gift of love to them. My movie making skills will get better. But it garnered enough attention from the likes of Warner Brothers who thought that compared to other independent films out there, my film crew did an awesome job! I ask those who want to be highly critical of my first movie to ask themselves, considering my limited resources, if they could have done better. If their answer is yes, then they should go for it. Movie making is a hard job. I found that out in making Truly Everlasting and if nothing else, it made me respect those in the movie industry more and not be so quick to criticize. I've gotten good constructive feedback with this movie. With the next movie I hope to work with a bigger budget and plan to get better and better with every movie I make. And I love my readers who appreciated my effort.

And just as he hoped, when they finally connect, the chemistry is mind-blowing....

Two weeks in paradise has given Peyton some sizzling memories. That's all she expects—or wants—from a legendary player like Angelo. Having grown up on Chicago's South Side, she is worlds away from his life of privilege. Then a controversial case puts them on opposing sides.
