But when she arrives, Clint's boundaries begin to blur. He and Alyssa Barkley have thirty days to untangle the legal knot that bound them together during an undercover assignment years before. But this sexy, curvaceous Alyssa is different from the mousy, awestruck rookie agent he remembers. And now her every move has him wondering what it would be like if he really was her man....

#### *Cole's Red-Hot Pursuit*

*Cole Westmoreland always gets what he wants!* What the former Texas Ranger wants is sultry Patrina Forman. But Patrina is dead set against falling for a man with a no-strings-attached attitude, and there is no way she is going to fall into bed with a lawman! Then a Montana blizzard changes everything. Trapped together for three sinfully delicious nights, Cole soon has Patrina singing a different tune thanks to his personal brand of red-hot seduction. But what will happen once the snow begins to thaw?

### Coming in February

*Are his playboy days over for good?*

In the wake of political defeat, former mayoral candidate Ainsley St. James does something totally out of character—she has a one-night stand with a seductive stranger. Never expecting to see him again, she accepts a job covering a breaking story in Hilton Head, South Carolina...only to discover that the island's most desirable recluse is the lover she has yet to forget.

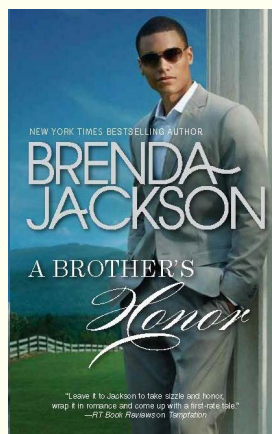

Winston Coltrane can't get that incredible night—or the sexy, sophisticated beauty—out of his mind. The marine biologist is developing a secret formula that could be a major medical breakthrough. But there's something Winston is keeping from Ainsley: his feelings for her have grown beyond the bedroom. Kiss by breathtaking kiss, Ainsley is transforming his oceanside sanctuary into a sensual retreat. Will they be able to turn a passionate fling into forever in each other's arms?
