Volume 15 - Issue 1

January 2015

Happy New Year!! I hope this year for you will be the best ever!

I am currently putting the finishing touches on Bailey Westmoreland's novel, titled *Breaking Bailey's Rules*. This new Westmoreland novel comes out in November of this year. Then after taking a short break, I will start on Bane Westmoreland's novel, titled *Bane*. Bane's book comes out in December.

I want to thank all my readers who participated in my Readers' Appreciation Day. All winners should have received your 2015 Love, Passion and Promise Calendar by now.

February 1, 2015 will mark the kick off of my foundation, The Josiephine Streater Threatt Scholarship Foundation to benefit Florida Memorial University in Miami, Florida. The Foundation presented \$31,000.00 to the university in 2014 and we are looking to an even better year for 2015.

Countdown has begun for the release of Book 3 of the Grangers, Dalton Granger's story titled, *A Lover's Vow*. This book will reveal who killed Sylvia Granger and will pit Dalton against Jules. Will they be able to put their differences aside to overturn Sheppard Granger's conviction?

Also, I will be celebrating my 20th anniversary as an author this year and the celebration will kick off the day before the cruise. Information is in this newsletter about all the festivities planned and how you can join in the celebration.

I am participating on Delta Authors on Tour with scheduled book signings in St.

Louis and Baltimore. More information in this newsletter.

Happy Birthday!

Happy birthday to all my readers who have recently celebrated a birthday and to those who are celebrating in January. May you continue to be blessed with many, many more!

But Dalton is more complicated than that, and he's determined to show Jules that behind all the bravado is the honest heart of a devoted son, brother...and a man whose own life is in peril.

Jules is the only person who can protect Dalton, and they embark on a mission to save his family and his legacy. But when their late nights in the office turn into early mornings in the bedroom, Jules and Dalton soon realize they have more at stake than they ever imagined.

But the years of mismanagement seem impossible to untangle. As CEO, he hires a consultant to turn the company around. Smart, sexy Shana Bradford is the right person for the job and the right woman to turn Jack's world upside down.

But the passion between them is jeopardized when old secrets begin to emerge. A woman from Jack's past suddenly reappears. And an explosive discovery changes everything Jack thinks he knows about his mother and his father, who was convicted of her murder. Jack Granger tried to leave his family history behind once before.
