She's all he's ever wanted. He's everything she'll ever need.

Business mogul Dalton Granger is as passionate as he is gorgeous, but private investigator Jules Bradford won't give him the time of day. She knows all about the youngest Granger brother—a charming bad boy whose only interest is playing the field.

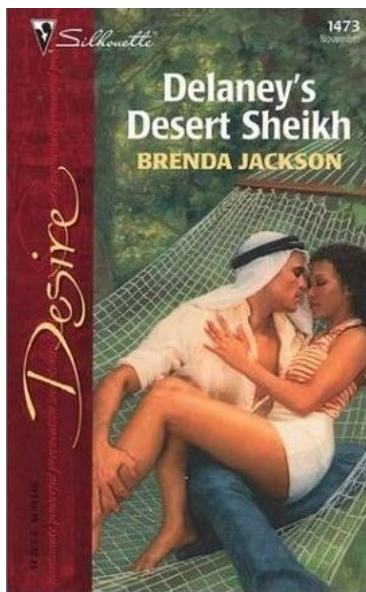

But Dalton is more complicated than that, and he's determined to show Jules that behind all the bravado is the honest heart of a devoted son, brother...and a man whose own life is in peril.

Jules is the only person who can protect Dalton, and they embark on a mission to save his family and his legacy. But when their late nights in the office turn into early mornings in the bedroom, Jules and Dalton soon realize they have more at stake than they ever imagined.

My book is #1 of The Granger 3-Book Series

The Granger brothers left behind their family's Virginia estate and the bad promise it holds years ago. But their dying wish makes it impossible to repeat things their home to a fading business, a legacy of secrets and a dashed promise to make things right.

As the eldest brother, attorney Jake Granger is determined to take responsibility for Granger Associates, this family's failing business. But the years of mismanagement seem impossible to untangle. As CEO, he hires a consultant to turn the company around. Smart, sexy Rhana Bradford is the right person for the job and the right woman to turn Jake's world upside down.

But the passion between them is jeopardized when old secrets begin to emerge. A woman from Jake's past suddenly reappears.
