HAPPY HOLIDAYS

As I send out the last newsletter for 2015, I want to wish all of you a wonderful and merry Christmas and joyous New Year. I look forward to 2016 and the books I have written for you to enjoy. As I start 2016 and begin writing books for my 2017 schedule, I want to thank all of you who continue to read my stories and who makes writing them such a pleasure for me.

I also want to thank everyone who supported my foundation - the Josiephine Streater Threatt Scholarship Foundation. Because of your support of my various fund raisers - cruise to Bermuda, Raffle 2015, personal donations, tote bag purchases and 2015 Online Store Book Sale - I am pleased to report that we presented to Florida Memorial University from the JST Foundation a total of \$30,000.00 for the year 2015. We could not have done it without you!

Happy Birthday!

Happy birthday to all my readers who have recently celebrated a birthday and to those who will celebrate in December. May you continue to be blessed with many, many more!

Merry Christmas!

It is my wish that you each have a wonderful and safe Christmas!

In Loving Memory

December 15, 2015 was the 2nd anniversary of Gerald's death. I listened to our favorite song - Solid As A Rock by Ashford and Simpson.

Listening to the lyrics reinforced why my and Gerald's love was so strong. Why it was solid as a rock. Gerald is still with me and will forever be with me because I carry him in my heart.

His loving spirit continues to surround me, letting me know I am still a

woman deeply loved. It works both ways because he will forever be a man
deeply loved as well.

Breaking Bailey's Rules

Rule number one for Bailey Westmoreland:

Never fall for a man who would take her away from her tightknit family's Colorado home. So why is she following rancher Walker Rafferty all the way to Alaska? Bailey tells herself she owes the sexy loner an apology, and once she gets there, it's only right to stay and help him when he's injured...isn't it? Before long, Bailey realizes home might be where you make it if Walker is ready to take all she has to offer.

Coming March 2016

Possessed by Passion featuring Tyson Steele

Burned-by-love architect Hunter McKay came home to Phoenix to open her own firm, not rekindle her fleeting high school romance with playboy Tyson Steele. But when she runs into the sexy surgeon at a nightclub—and he unleashes that legendary Steele charm—Hunter fears she’s headed straight for heartbreak once again.

Tyson hasn’t forgotten the one who got away. A week-long fling should be just enough to get the sultry beauty out of his system for good, even if he has to let Hunter set the ground rules. But the rules are suddenly changing for the no-strings bachelor. Can Tyson convince this sensual woman that he’s the real deal—that they deserve a second chance together?

READER'S QUESTION

Q- I just don't understand it. As popular as your books are, I had an extremely hard time at my Barnes and Nobles, Books-A-Million and Walmart, trying to find Breaking Bailey's Rules and Bane. I argued with one clerk who said I should go to their online store. I asked her why the books weren't on the shelf. Not just yours but a few other of my favorite AA authors. What is going on?

A: I know what's happening is frustrating for the readers...and for the authors as well. I think an author friend (Pat Simmons) said it best when someone asked her about the situation. Her response in part was - "... shelf space is a premium now in the bookstores, so AA books are always the first to get cut. That is why many readers...order off of Amazon..."

As an author as well as a business woman, I am reviewing what is taking place and want to make sure my books are getting into the hands of my readers. I had to step in for both my Bailey and Bane books and offer "Pre-orders" on my online store, when readers complained of not being able to get the books at their usual book store outlets. Like most authors when I write a book I want it to reach my readers, and I have a problem when readers can't obtain my books.
