Volume 16 - Issues 1 & 2

January/February 2016

Happy New Year!

I hope 2016 gives you all that you wish for. I am looking forward to the three books I have coming out this year and I'm busy writing the books on my schedule for 2017. My traveling schedule is on my website under the tab of **EVENTS**. If I'll be in your area and I would to meet you.

This year look for some of your favorites with Tyson Steele in **Possessed by Passion** in February; Virgil Bougard in **Bachelor Unforgiving** in August. If you read **BANE** then you were introduced to three of his SEAL friends - Viper, Coop and Flipper. I look forward to writing their stories as well. Viper's book, titled **A Rancher Returns**, will be out in October of this year

I am excited about my writing schedule for 2017. If you enjoyed the Granger Series, then I believe you will enjoy **The Protector Series**, which is a spin-off from the Grangers. This series features the three bodyguards who protected Jace, Caden and Dalton. Namely Striker, Quasar and Stonewall. An assassin is on the loose and lives need to be protected. In comes the protectors and the women whose lives they are determined to save. Look for the Protectors - **all three novels** - in 2017.

Thank you for reading my books!

Happy Birthday!

Happy birthday to all my readers who have recently celebrated a birthday in January and to those who will celebrate a birthday in February. May you continue to be blessed with many, many more!

Happy New Year!

It is my wish that you each have a wonderful and prosperous new year!

Happy Valentine's Day!

It is my wish that you each have a wonderful and romantic Valentine's Day!

Possessed by Passion featuring Tyson Steele

Burned-by-love architect Hunter McKay came home to Phoenix to open her own firm, not rekindle her fleeting high school romance with playboy Tyson Steele. But when she runs into the sexy surgeon at a nightclub—and he unleashes that legendary Steele charm—Hunter fears she’s headed straight for heartbreak once again.

Tyson hasn’t forgotten the one who got away. A week-long fling should be just enough to get the sultry beauty out of his system for good, even if he has to let Hunter set the ground rules. But the rules are suddenly changing for the no-strings bachelor. Can Tyson convince this sensual woman that he’s the real deal—that they deserve a second chance together?
