September 2016

Are you ready for some football?

Hard to believe it's that time again. I'm pulling all my football paraphernalia out the trunk to be ready to attend a few of the Jaguars games this season. What's your favorite football team? College or NFL? May the best team win!

I am excited because we are counting down for the release of new book, *The Rancher Returns*. I want you to get to know Bane's SEAL friends, Viper, Coop and Flipper. These are friends he depended on in his book *BANE*. They were there for him and he will be there for them. *The Rancher Returns* hit the stores on Tuesday, October 4th.

I will be doing a lot of traveling during October. Check to see if I will be in your area. Also September kicked off the Josiephine S. Threath Scholarship Foundation 2016 drive. Please check out the book store sale to replace those well-read Brenda Jackson novels. Or please buy a raffle ticket for a chance to spend 5 days in Barbados. All proceeds to benefit the JST Scholarship Foundation.

Stay blessed.

Possessed by Passion featuring Tyson Steele

Burned-by-love architect Hunter McKay came home to Phoenix to open her own firm, not rekindle her fleeting high school romance with playboy Tyson Steele. But when she runs into the sexy surgeon at a nightclub—and he unleashes that legendary Steele charm—Hunter fears she’s headed straight for heartbreak once again.

Tyson hasn’t forgotten the one who got away. A week-long fling should be just enough to get the sultry beauty out of his system for good, even if he has to let Hunter set the ground rules. But the rules are suddenly changing for the no-strings bachelor. Can Tyson convince this sensual woman that he’s the real deal—that they deserve a second chance together?

Passionate payback

They say you can forgive but you can never forget. Virgil Bougard takes that saying to heart. Four years ago Kara Goshay believed a vicious lie about him and ended their relationship. And even after her apology, Virgil is still bitter.

He doesn't intend to make things easy for Kara when his family's firm hires her PR company to revamp his playboy image. But faking a liaison with Kara for the media backfires when the line between fantasy and reality is blurred by strong sexual attraction.

Kara wanted forgiveness. Instead she's deep into a heated affair with the powerful, charismatic man she can't resist. The man who claims he'll never forgive her, especially when a secret enemy puts her professional reputation in jeopardy. Stakes are high—but so is their searing desire, a connection so intense it could possibly tame this elusive unforgiving bachelor at last...

Coming December 2016
Captivated by Love

If you have read the entire 3-book Granger Series, then this announcement will be exciting news for all of you.

Captivated By Love is Sheppard and Carson Granger's story with a little mix of danger, not too much to take away reading about Sheppard and Carson but enough. Of course you will get a chance to visit with those Granger sons and their wives along with Shep's other sons as we better know them as The Protectors. This story, Captivated By Love is the prequel to the first Protector's book, Forged In Desire (February 2017) featuring Striker.

At this time, I don't have information about pre-ordering but this book will be available in both print and E-Book format. Let's make this brand new single title under the Madaris Publishing to hit all those bestsellers list. Stay tuned for updates regarding the pre-ordering process.

Footnote: For those who haven't read the Granger Series, take the time now before December to read this series.

Night Heat Celebrates

September 2006-2016

Sebastian Steele was the kind of man women dreamed about. He was drop-dead gorgeous, wickedly charming and fabulously wealthy. So why wouldn't Jocelyn Mason accept his offer to help run her struggling company? It was his reputation. Sebastian was a corporate shark, and Jocelyn knew the big fish didn't swim with the little fish, they swallowed them whole.

It had been Sebastian's intention to take over Mason Builders, whether Jocelyn liked it or not. But when he started to work with her, sparks began to fly and they shared a sizzling, unforgettable night of passion. And soon it wasn't clear who was bossing whom....
