**Locked in Temptation - Final Book in the Protector Series
Coming July 25th!**

His job is to protect her...no matter the cost

Police detective Joy Ingram's connection to elite security expert Stonewall Courson is instant. Undeniable. Electric. But her commitment to protect and serve has always come first. Everything else is secondary—especially when she uncovers an underground surrogate baby-making ring. Joy can't risk a distraction during the most important case of her career, not even one as sexy as reformed ex-con Stonewall.

There are few things Stonewall values more than a strong woman. But when Joy's investigation draws her into a deadly conspiracy that goes deeper than she ever imagined, he must convince her that he's the best man to protect her. And while he puts his life on the line to save hers, the insatiable attraction between them becomes the one danger neither of them can escape.

A Very Merry Romance

Can you believe it's been 4 years since I've written a Madaris novel? I am looking forward to revisiting with what I consider as my first family - The Madarises. Look forward to Nolan Madaris's story that is coming out in 2018 from Harlequin.

By popular demand, as a prequel to Nolan's story, I am writing Marilyn and Jonathan's story. You know Marilyn and Jonathan as the parents to Justin, Dex, Clayton, Christy, Kattie and Traci. They are celebrating the Holidays with the entire Madaris family and their friends, and you are invited to celebrate with them.

Coming this December is A VERY MERRY ROMANCE, a Madaris Novel. Are you ready to return to Texas and revisit the Madaris family?

Featuring Jonathan and Marilyn Madaris, parents of Justin, Dex, Clayton, Kattie, Tracy and Christy.

QUESTIONS FROM READERS!

Will Locked In Temptation be sold in stores?

Yes, if those stores carry Harlequin books it should be on the shelves. Locked In Temptation is published under Harlequin's HQN line. Most all stores order books from a book distributor namely Ingram. Stores such as Wal-Mart, Target, Books-A-Million and Barnes and Noble who have physical stores where Harlequin books are sold, also have them available to order directly from their websites. Some Wal-Mart have online ordering with store pickup but you have to check to see if it's available in your store. Also, stores like Barnes and Noble along with Books-A-Million have staff that will order the book if it's not on the shelf. One last tip I always tell readers is that you have to get familiar with your local stores. If you find they don't carry the books you read in their physical store, then check their website before you write that store off. Most stores are saving money on shelf space by using their websites.
