Yet the scheme Ivy proposes is tempting—they can pretend to be a couple, just long enough to satisfy their families.

But someone forgot to clue in their hearts

What happens, though, when Ivy's plan to get her relatives off her back has an unexpected side-effect: getting her into Nolan's bed? Houston's number-one womanizer may have found the only one who can truly satisfy him, body and soul. But with a man from Ivy's past determined to be part of her future, both she and Nolan will have to decide what's fake, what's real, and what's worth fighting for...
