**WHEN DANGER ARRIVES, REAL MEN TAKE ACTION...**

Dakota (Dak) Navarro, wealthy entrepreneur, international playboy and jet-setter, arrives in Miami for the wedding of his friend, Andrew Logan. He is hoping to see Dr. Amelia Courson, the woman he met two years earlier at another wedding... that of his good friend and her brother, Stonewall Courson.

Dr. Amelia Courson is a medical doctor who feels that lately she is taking care of everyone but herself. She is long overdue for a vacation and wants to let go and get wild. She has heard about Dak's "love-them-and-leave-them", "no-strings-attached" attitude, and since she is not looking for love either, Amelia feels Dak is just what she doctor orders.

Dak is a man of action and is ready to whisk Amelia away on his private jet to an exotic location...for R, R and R - rest, relaxation and rolling between the sheets.

What Dak does not count on is keeping them both alive when danger comes knocking at their door.
