

HELLO EVERYONE!

I hope everyone had a wonderful Easter Day!

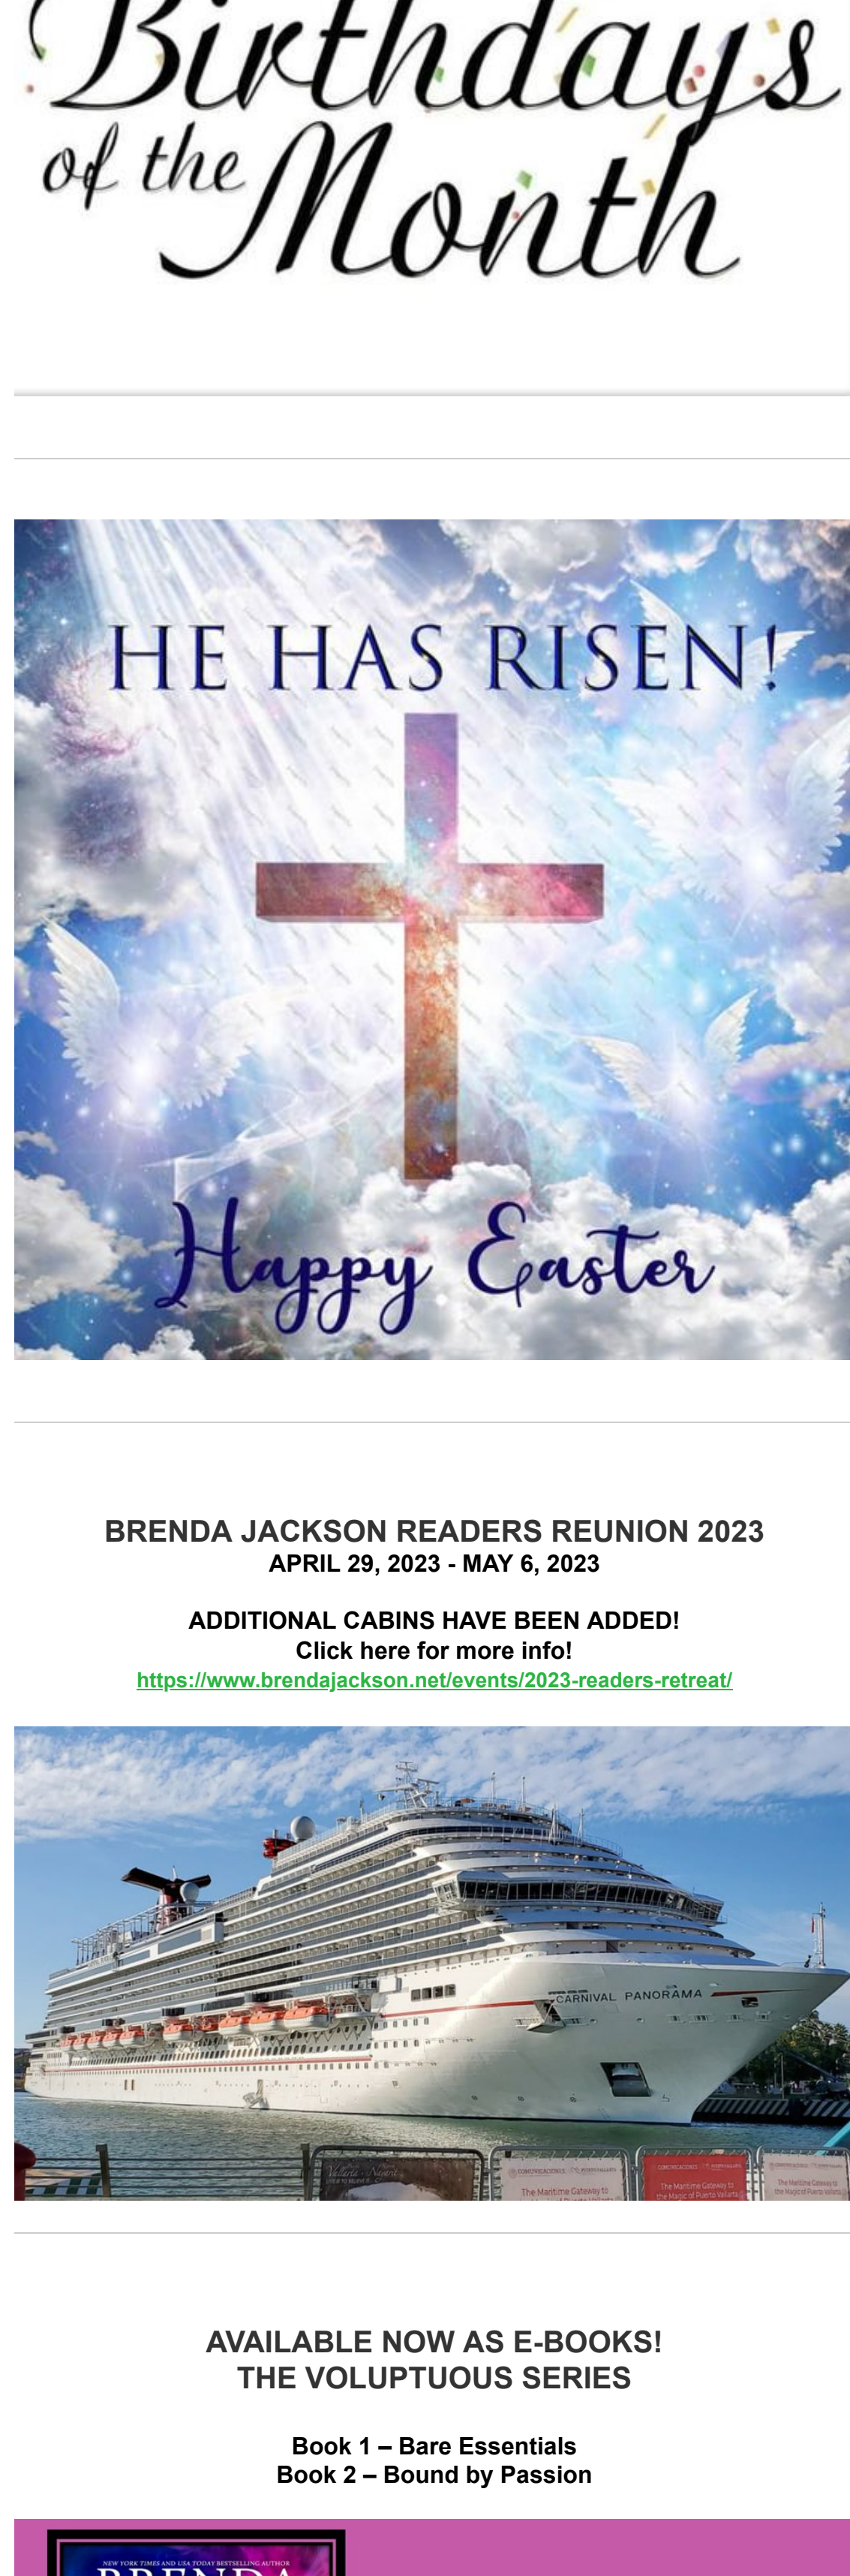

Thanks to everyone who purchased Jess Outlaw's book during the first week the book went on sale, it made the USA Today's Bestseller's List. I appreciate all of you!

Over the past year, I've finished 4 books back-to-back and without a break - Infringe Possibilities, What Happens On Vacation, The House on Blueberry Lane and The Outlaw's Claim. I am taking a much-needed break from writing until the end of July. It's time to relax my mind and do some vacation traveling. I'm looking forward to coming up with more exciting book ideas with wonderful locations.

Thanks for reading my books.

Voluptuous Orlando Judge Dominique Kincaid finds lust at first sight in the form of a handsome morning jogger who fuels her fantasies. But when he steps into her courtroom as a hotshot attorney, she finds it hard to remain the Honorable Judge Kincaid.

As far as Jordan Prescott is concerned, Dominique Kincaid gives the phrase, "Here comes the judge" all-new meaning. She is everything he wants in a woman and is determined to teach her the bare essentials of lust and love, and in a way that she will never forget.

Attorney Royce Parker has had the hots for Michelle Kincaid for a couple of years and decides it's time to do something about it. He books a cruise through her travel agency and talks her into joining him as nothing more than a friend. Once together on the high seas they discover their biggest challenge is fighting the powerful attraction trying to overtake their senses.

Attorney Royce Parker has had the hots for Michelle Kincaid for a couple of years and decides it's time to do something about it. He books a cruise through her travel agency and talks her into joining him as nothing more than a friend. Once together on the high seas, they discover their biggest challenge is fighting the powerful attraction trying to overtake their senses.

Michelle Kincaid has issues. The main one is her dominating attitude that extends to the bedroom. For that reason, she only dates men who will accept her controlling nature. She knows Royce is not a man to let any woman have control over him. For that reason, she avoids him at all cost. When she sees that avoiding him doesn't work, she comes up with a plan to change his way of thinking.

Will she change his way of thinking? Or in the end, will Royce be the one changing hers?

THANKS TO MY READERS FOR MAKING THIS HAPPEN!
