COMING SOON IN JULY!

The biggest mistake of Jaye Colfax's life was letting Velvet Spencer leave him. For three years, they were together exclusively—and it was great. But Jaye wouldn't commit to anything more. He just didn't believe in falling in love or marriage. When Velvet left him without so much as a goodbye, Jaye realized he'd been too foolish to see he loved her. But it was too late. His stubbornness had cost him the love of his life.

It took Jaye two years to find where Velvet had gone. Now he's come to Catalina Cove to prove his love and win back her heart—but will Velvet have him?
